Prepare your notes before you contact Rob

Suggestion to get you started:

Who you are

The name of your event

How many participants do you expect

Make it known that your event is or will be sanctioned by the MRA

What are you asking for

Road closure

Lane closure

Will you be crossing a street (if so police may be required)

At what date and time do you want the closure, start and finish time

Will you or do you have a third party installing cones

Do you have marshals directing participants

Include a map of the area you are referring to

After your initial contact with Rob he will provide you with the required information and route to follow for approval
